LB 17, 429, 632, 632A

SPEAKER NICHOL: The amendment passes. Okay, Senator Labedz, do you want to readvance the bill?

SENATOR LABEDZ: Yes. Before I do I would remind Senator Cullan that I am also cosponsor of LB 17 and he mentioned the fact that it was Kilgarin's bill. I am also cosponsor and as cosponsor I move to advance LB 17.

SPEAKER NICHOL: All those in favor say aye, opposed nay. Machine vote has been asked. All those in favor of advancing the bill vote aye, opposed nay. Record, Mr. Clerk.

CLERK: Mr. President, I have a request for a record vote. (Read record vote as found on pages 2358-2359 of the Legislative Journal.) 30 ayes, 13 nays, Mr. President, on the motion to readvance the bill.

SPEAKER NICHOL: The bill is readvanced. Do you want to read something in?

CLERK: Yes. Mr. President, before we proceed with 17 I have a report from the Executive Board referring LR 197 to the Public Works Committee. Enrollment and Review reports LB 429 to Select File; 632, 632A. (See page 2360 of the Legislative Journal.)

SPEAKER NICHOL: The next amendment.

CLERK: Mr. President, I now have a motion to return LB 17 to Select File for a specific amendment. The amendment, Mr. President is similar to the one found on page 2267. It is offered by Senators Newell, DeCamp, Kilgarin, Morehead and Wiitala.

SPEAKER NICHOL: Who is going to handle this one? Senator Newell, do you wish to withdraw the amendment?

SENATOR NEWELL: Ummm.

SPEAKER NICHOL: Just a simple yes or no will do.

SENATOR NEWELL: I could make an argument that I'm not sure any more reason is set in and for that reason I don't know that my amendment will have a lot of strength right now but if I don't do it now then LB 17 will go away and I will not have a chance to do it. That is my dilemma. I think I have to run it. I won't talk long though.

SPEAKER NICHOL: Does anybody else want to talk on it?
